Invest One Day in Your Future

Soar Higher 2005 is Northwest Arkansas' premiere leadership conference that includes a full day of professional development topics for the leader or individuals on the leadership track.

Whether you work in a major corporation, small business, or non-profit organization, this conference will provide you with the tools to prepare you to achieve your peak performance.

Compelling Main Stage Speakers

The conference main stage sessions feature keynote addresses from compelling speakers who will challenge the way you think and leave you with the understanding that anything is possible.

Darren LaCroix, 2001

Toastmasters International World Champion of Public Speaking will start us off in the morning. He has roused audiences in faraway places like Oman, Malaysia, and Taiwan with his inspirational journey from first-rate chump to first-class champ, proving anything is

possible if you are willing to work for it.

Walt Pavlo, the former MCI senior manager who masterminded a fraud that involved some of MCI's major clients, will leave the audience with an understanding of the inner-workings and motivations associated with complex white-collar crimes, with an emphasis on ethical decision-making.

A third main stage speaker will be announced soon! Go to www.soarhigher.com/Conference.htm to find out who it is!

Book Store and Expo Booths

A bookstore featuring books and audio programs will be available for attendees who want more information on particular topics. Purchase recordings of the skill-builder sessions to add to your professional development library.
