

Skill-Builder Sessions

Select four of these powerful breakout sessions that will offer tools for achieving success. Full program descriptions are located at www.soarhigher.com/SH2006schedule.htm.

Session 1 Choices

Creating an Atmosphere of Innovation.

John will equip you with practical tools and valuable resources to create an innovative atmosphere. In this engaging, interactive, innovation experience, you'll be challenged, inspired, and equipped to uncover the buried treasure of the mind. **Speaker: John Storm**

Workforce Diversity: Leveraging the Difference Dividend .

Diversity can be a painful subject — and a costly prospect. It is possible to leverage the difference in your workforce. Make it an asset rather than a liability. This insightful, fun session provides

basic steps to remove barriers and make difference pay off in your workplace. **Speaker: Cathy Harris**

Session 2 Choices

Building a Mont Blanc Team — God's Way.

This seminar discusses ways to protect our most valuable assets — people. Learn to recognize undeveloped talent and encourage its growth. Create a team that's highly motivated and feels

greatly valued, leading to greater success. **Speaker: Stan Tyra**

Do What Black Belts Do: Learn How to Succeed by Quitting! Find out the three words West Point cadets use to propel their careers. Learn to approach new challenges. Discover three steps to breaking through obstacles plus the critical fourth step

(with a live board-breaking exercise!) — find out if you're Black Belt material! **Speaker: Kyle Eastham**

Session 3 Choices

Giving Feedback That Motivates People to Succeed.

This program will provide you with a practical framework for giving both positive and negative feedback. Gain instant improvement in your relationships and more positive performance by using

feedback effectively. **Speaker: Vicki Anderson**

Bounce Back! with a Winning Attitude!™

This fun, interactive, educational program is based on the science of "attitude enrichment." Explore vital issues of leadership, attitude, vision, and achieving your full potential! In this powerful program of self-

discovery, you will be guided through a five-step model of attitude enrichment. **Speaker: John Irvin**

Session 4 Choices

Turning Failure Rocks Into Stepping Stones.

Keep your team members focused on learning from rather than drowning in their mistakes! Every "failure" is an opportunity to learn. Participants will leave with tools they can immediately use to lead with purpose,

overcome external challenges, and achieve success in the face of adversity. **Speaker: Scott Cooksey**

Understanding and Relating to the Individuals on Your Team.

Unless applied, human behavior/personality training does not work. Scott will take you to the next level of understanding so you can apply the ability to recognize your own

style and effectively communicate with others.

Speaker: Scott Huse

SPRINGDALE ROGERS BENTONVILLE FAYETTEVILLE

The JOB GUIDE **workmatters™**
Bridging the gap between faith and work

Collaborative Partner

A portion of the event's proceeds goes to the Students in Free Enterprise (SIFE) team at Northwest Arkansas Community College. They are actively involved in the conference planning.

Invest One Day in Your Future

Soar Higher 2006 is Northwest Arkansas' premiere leadership conference that includes a full day of professional development topics for the leader or individuals on the leadership track.

Whether you work in a major corporation, small business, or non-profit organization, this conference will provide you with the tools to prepare you to achieve your peak performance.

Compelling Main Stage Speakers

The conference main stage sessions feature keynote addresses from compelling speakers who will challenge the way you think and leave you with the understanding that anything is possible.

John Irvin presents Hilarity

Therapy®. The ability to see the positive side of things is essential to our vision, our relationships, productivity, problem-solving and our health. Hilarity Therapy® is an entertaining and inspirational presentation that gives us the necessary skills and reminds us of the power of seeing the positive side.

Scott Huse presents People Are What Life and Business Are All

About. Personal growth and success are important to each of us. Take charge of your future and make your life a "Do It Myself Project." No one can make your dreams and aspirations a reality like you can.

A third main stage speaker will be announced soon! Go to www.soarhigher.com/SH2006schedule.htm to find out who it is!

Book Store and Expo Booths

A bookstore featuring books and audio programs will be available for attendees who want more information on particular topics. Purchase recordings of the skill-builder sessions to add to your professional development library.
